

SKU	Product Name	Product Description
<b>Digital Forensics and Incident Response (DFIR) Technologies</b>		
NRD-DFIR-SAM	Stationary Acquisition and Analysis Module	Full-equipped analyst working place, consisting of custom build desktop, laptop, screens, and connected accessories for analysis of different artifacts (computers, HDDs, mobile phones, media cards)
NRD-DFIR-SAM-M1	Stationary Acquisition and Analysis Module, Mod.#1	Flagman workstation computer module for DFIR analyst, including Desktop, Laptop and relevant full set of accessories (based on Dell, CRU, Tableau, Cellebrite, Samsung components, [NRD-DFIR-AHW-M1-DSK], [NRD DFIR-AHW-M1-LPT])
NRD-DFIR-SAM-M2	Stationary Acquisition and Analysis Module, Mod.#2	(Discontinued, prototype model)
NRD-DFIR-SAM-M3	Stationary Acquisition and Analysis Module, Mod.#3	Smaller than M1 workstation for DFIR analyst, including Desktop and relevant full set of accessories [NRD-DFIR-AHW-M1-DSK], [NRD DFIR-AHW-M1-LPT]
<b>Mobile Acquisition and Analysis Module</b>		
NRD-DFIR-MAM	Mobile Acquisition and Analysis Module	Full-equipped mobile analyst working place, consisting of laptop and connected accessories for analysis of different artifacts (computers, HDDs, mobile phones, media cards)
NRD-DFIR-MAM-M1	Mobile Acquisition and Analysis Module, Mod.#1	Mobile workstation computer module for DFIR analyst, including Desktop, Laptop and relevant full set of accessories (based on Dell, Logicube, CRU components, [NRD-DFIR-AHW-M2-LPT])
NRD-DFIR-MAM-M2	Mobile Acquisition and Analysis Module, Mod.#2	(Discontinued, prototype model)
NRD-DFIR-MAM-M3	Mobile Acquisition and Analysis Module, Mod.#3	Reduced power Mobile workstation computer module for DFIR analyst, including Desktop, Laptop and relevant full set of accessories [NRD-DFIR-AHW-M3-LPT]
<b>Cryptanalysis Module</b>		
NRD-CRYPTAM-M	Cryptanalysis Module	Desktop Computer Analysis System for reversing hashed strings
NRD-CRYPTAM-M1	Cryptanalysis Module, Mod.#1	Two-unit desktop computer analysis module, middle power, with spare parts and accessories [NRD-CRYPTAM-M1-A1].
NRD-CRYPTAM-M2	Cryptanalysis Module, Mod.#2	Four-unit desktop computer analysis module, middle power, with spare parts and accessories [NRD-CRYPTAM-M2-A1].
<b>CSIRT/SOC Technologies</b>		
NRD-CVADASM-M1	Control and vulnerability analysis and dash boarding module, based on NRD DeepEye technology	Cybersecurity vulnerability and intelligence platform
NRD-DeepEye-M1	NRD DeepEye sensing technology	Lab analysis system
NRD-DeepEye-M3	NRD DeepEye, CII Sensors	National Cybersecurity Sensors full system
NRD-DeepEye-M3-MM	NRD DeepEye, CII Sensors, Management Module	NRD DeepEye, Model - 3, Management Module
NRD-DeepEye-M3-NM	NRD DeepEye, CII Sensors, Network Module	NRD DeepEye, Model - 3, Network Module
NRD-TAAM	Data link Tapping, Honeypot and Attack generator for Cyber Security Analysis Module	
NRD-TAAM-M1	TAAM mod1	TAAM Modification - includes ethernet network switch technology based on CriticalNetwork technology with analysis components (Mikrotik-platform based routing switches, including models with wifi, as well as Canary and BlueCoat based routers) [NRD-TAAM-M1-A], [NRD-TAAM-M1-B], [NRD-AGT-M1-B], [NRD-I&HSM-M1-A], [NRD-AGT-M1-C], [NRD-AGT-M1-D]
NRD-NFAM	Network Flows, Logs orensics and Analysis Module	SOC network forensics platform

SKU	Product Name	Product Description
NRD-NFAM-M1	NFAM modification 1	allows analysis of raw and netflow traffic, with log analytics for post incident
NRD-MARM	Malware sandbox analysis, emulator, and repository module	Malware analysis via sandboxing platform and sharing platforms
NRD-MARM-M1	MARM modification 1	Hybrid sandbox module with repository
NRD-NIRSAM	National Internet Routing Sensing and Analysis Module	National internet space modification sensing and analysis module
NRD-NIRSAM-M1	National Internet Routing Sensing and Analysis Module, Mod#1	2011 modification
NRD-NIRSAM-M2	National Internet Routing Sensing and Analysis Module, Mod#2	2017 modification
NRD-SM	Sensor Module	
NRD-SM-M1	Internet Honeypot sensor Module, 4+1 nodes	Dell server based 4+1 sensor system [NRD-SM-M1-A], [NRD-SM-M1-Am1]
NRD-EWPM	Early Warning Platform Module for Information Sharing	
NRD-EWPM-M1	EWPM, modification 1	supports HTTPS connectivity
NRD-INTEYE	OSINT-SOCINT analytical platform	
NRD-INTEYE-M1	INTEYE, modification 1	Amazon cloud crawlers, native structure
